Awareness

**Rotary Youth Leadership Award**

**Are you 18-28 and looking for an exciting opportunity?**

**Then why not apply to join the RYLA experience!**

## About RYLA!

The Rotary Youth Leadership Award (RYLA) is an international program which provides a unique opportunity for

leadership skill development for young adults aged 18 to 28. This camp is held in January each year.

The intensive live-in 7-day program provides a range of experiences and tools to stimulate your thought processes and facilitate personal development. It is a chance to focus on your leadership skills, personal goals and ambitions while supporting your fellow participants to achieve their own.

As a RYLA participant you will meet participants, facilitators and community leaders from a wide range of backgrounds. The friendships and networks formed at RYLA will provide future opportunities of benefit to you and your community.

## Program at a Glance!

- Self Awareness and Emotional Intelligence
- Communication and Public Speaking
- Leadership, Team Work and Group Dynamics
- Problem Solving and Decision Making
- Goal Setting and Time Management

Successful applicants will have the energy, commitment and motivation to develop their leadership potential. They will have demonstrated a desire to be an active part of their community and be willing to challenge themselves both physically and mentally over the course of the week.

Participants are required to report back to their sponsoring Rotary Club after the program to give a presentation on their RYLA experience and are encouraged to maintain contact with members of their sponsoring club in the future.
